

# CONTACT HEAVY DUTY CLEANER

## TECHNICAL DATA SHEET

Packaging	Code
Quart	200-4616
Gallon	200-4617
5g Pail	200-4618
Drum	200-4626

### Description:

CONTACT may be used at dilutions all the way from 1 to 64, down to 1 to 8, depending upon soil or severity. CONTACT cuts through heavy grease, oil, and sludge with or without the use of warm water. At 1 to 8 cleaner, there is not a better product available. High in builders, high in detergents, high in penetrants and high in cleaning ability.

A multi surface cleaner to be used on resilient tile, concrete floors, walls, restrooms, showers, vehicles, anywhere you need high performance. Designed for floors, walls, garbage containers and heavy duty equipment.

### Directions:

Use diluted.

Light Duty Cleaning, 1:64 water.

General Duty Cleaning, 1:32 water

Heavy Duty Cleaning, 1:16 water

For Wax Stripping, 1:8 water

Use hot or cold water depending upon soil conditions.

Rinse surfaces thoroughly after cleaning.

### Features & Benefits:
