

Eliminator Cleaner Degreaser

Description

A concentrated cleaner/degreaser and deodorizer. Contains no butyl, yet cleans as well as butyl type cleaners. Instantly removes petroleum, vegetable, animal oils and greases while destroying bad odours. Works well hot or cold or in soft or hard water areas. Its total detergent system emulsifies oils, greases and grime, holding them in suspension, ready to be flushed away.

Where to Use

Use on floors, walls, trucks, equipment, machinery, plastic, glass, grills, air conditioning ducts, filters, conveyors, hoods, printing presses, vinyl upholstery, sinks, wash-hand basins, baths, showers, toilets, etc.

Directions

Dilute product. For **general cleaning**; 1 part cleaner, 20 parts water. For **wax stripping**; 1 part cleaner, 10 parts water. For **Heavy Grease & soil removal**; 1 part cleaner, 8 parts water. For **automatic scrubbers**; 1 part cleaner, 30 parts water. For **pressure washer systems**; 1 part cleaner, 40 parts water. For **soak tanks & ultrasonics**; 1 part cleaner, 10 parts water. For **wet mopping**; 1 part cleaner, 40 parts water.

Features & Benefits

- No Butyl
- Concentrated
- Works hot or cold
- Cleaner and deodorizer
- Lower Use Cost
- Reduced employee health risk
- Tailor to soil conditions
- Non corrosive

Packaging

Quart	200-4606
Gallon	200-4607
5g Pail	200-4608
Drum	200-4609

Specifications

Form	Liquid
Odour	Minimal
Active Components	15%

Specific Gravity	1.04
Colour	Yellow
pH as Received	13.10
