

Exit Neutral Cleaner

Description

A mild, but effective floor detergent designed for cleaning and maintenance of all hard flooring surfaces. It's special blend of detergents will not dull or harm floor finishes and yet will easily remove most soils found on these finishes.

Where to Use

Ideal for use in auto scrubbers or as a mop type cleaner. With 'rinse-free' action, leaves no dulling residue. May also be used for light duty cleaning of any washable surface such as painted walls, fixtures, etc.

Directions

For light soil cleanup use 1 part product to 150 parts water. For normal soil cleanup use 1 parts product to 80 parts water. For damp mopping, wring mop to damp and clean floor. Re-apply solution to mop and wring frequently. Rinsing is not normally required. For auto scrubbers, single pass and pick up solution.

Features & Benefits

- Neutral pH
- Concentrated
- Rinse Free
- No dulling of floors
- Cuts costs dramatically

Packaging

Gallon - 270-4614
5g Pail - 270-4615

Specifications

Form	Concentrated liquid	Active Ingredients%	25
