

# REVIVE RESTORER

## TECHNICAL DATA SHEET

Packaging	Code
Gallon	280-2200

### Description:

REVIVE is a cleaner/maintainer for mop-on use or for use in an automatic scrubber. Dual purpose formulation cleans and restores in one step without buildup. REVIVE will restore the floor to a wet look gloss. REVIVE has no finish in it, therefore eliminating the buildup of finish as well as those shiny dirty floor problems.

Use on all floors that already have a floor finish applied to it.

### Directions:

Always dust mop the floor prior to any restoring.

Dilute at 2oz per gallon for auto scrub cleaning and 1oz per gallon for mop on cleaning.

Apply the product using a mop or automatic scrubber. Allow the floor to dry and then buff or burnish using the appropriate pad to a wet-look gloss.

For heavy duty scrubbing dilute at 4oz per gallon.

It is not recommended that you use this product more than 3 times per week.

Use with 1500+ rpm burnisher.

### Features & Benefits:

Restores "wet-look" gloss

Eliminates restorer buildup

Economical; saves time and labour.

### Safety:

Personal Protection	B
Flammability	0
Health	1
Physical Hazard	0

0 =	Insignificant
1 =	Slightly
2 =	Moderate
3 =	High
4 =	Very high

### Specifications:

Total Solids	5%
Colour	Clear
Odour	Minimal
pH	10-11.5
Specific Gravity	1.02
Dry/Recoat Time	15 min dry to touch
Soil Resistant	Excellent
Stability	One year minimum
Freeze/Thaw	Passes 3 cycles but prevent from freezing
Long Term Removability	Excellent
Detergent Resistance	Excellent
Slip Resistance	7.50 COF
